Dear Mr. Dalley:

On June 21, 2004, the Division received your latest response to your plan for the Beck Street mine. Due to our current workload and a backlog of other permit reviews, the Division has not been able to complete a review of this response within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 45-60 days. We appreciate your patience and understanding in this regard. Please contact Doug Jensen at (801) 538-5382 if you have questions or concerns with this proposed review schedule.

Sincerely,

Joelle Burns
Minerals Secretary
